MISCELLANEOUS POEMS. BY ANDREW MARVELL, Esq Late Member of the Honourable House of Commons.

LONDON.

Printed for Robert Boulter at the Turks-Head in Cornhill . M.DC.LXXXI.

To his Coy Mistress.

- 1 Had we but World enough, and Time,
- 2 This coyness Lady were no crime.
- 3 We would sit down, and think which way
- 4 To walk, and pass our long Love's Day.
- 5 Thou by the *Indian Ganges*' side
- 6 Should'st Rubies find; I by the Tide
- 7 Of *Humber* would complain. I would
- 8 Love you ten years before the Flood:
- 9 And you should if you please refuse
- Till the Conversion of the *Jews*
- 11 My vegetable Love should grow
- 12 Vaster than Empires, and more slow.
- 13 An hundred years should go to praise
- 14 Thine Eyes, and on thy Forehead Gaze.
- 15 Two hundred to adore each Breast:
- 16 But thirty thousand to the rest.
- 17 An Age at least to every part,
- And the last Age should show your Heart.
- 19 For Lady you deserve this State;
- Nor would I love at lower rate.
- 21 But at my back I alwaies hear
- 22 Time's wingèd Charriot hurrying near:
- 23 And yonder all before us lye
- 24 Desarts of vast Eternity.
- 25 Thy Beauty shall no more be found;
- Nor, in thy marble Vault, shall sound
- 27 My echoing Song: then Worms shall try
- 28 That long-preserv'd Virginity:
- 29 And your quaint Honour turn to dust;
- 30 And into ashes all my Lust.
- The Grave's a fine and private place,
- But none I think do there embrace.

- 20 -

- Now therefore, while the youthful hew
- 34 Sits on thy skin like morning glew,
- 35 And while thy willing Soul transpires
- 36 At every pore with instant Fires,
- Now let us sport us while we may;

- 38 And now, like am'rous birds of prey,
- 39 Rather at once our Time devour,
- 40 Than languish in his slow-chapt pow'r.
- 41 Let us roll all our Strength, and all
- Our sweetness, up into one Ball:
- 43 And tear our Pleasures with rough strife,
- 44 Through the Iron gates of Life.
- 45 Thus, though we cannot make our Sun
- Stand still, yet we will make him run.
